

STEWARDS PROGRAM: 2016 APPLICATION

BACKGROUND

Preserve America is a national initiative developed in cooperation with the Advisory Council on Historic Preservation (ACHP), the U.S. Department of the Interior, and other federal agencies. Goals of the initiative include a greater shared knowledge about the nation's past, strengthened regional identities and local pride, increased local participation in preserving the country's cultural and natural heritage assets, and support for the economic vitality of our communities.

The Preserve America Stewards program is one component of the initiative. Preserve America Stewards designation will be granted to eligible entities with volunteer stewardship programs that:

- involve individual volunteers in direct and tangible ways in the preservation, interpretation, and promotion of historic properties; and
- fill a significant need in heritage preservation and education through the use of volunteer efforts.

ELIGIBLE APPLICANTS

Any non-profit organization, business, or government entity is eligible to apply for designation as a Preserve America Steward. However, the applicant's stewardship program must have been in existence for at least one full year prior to the nomination deadline.

APPLICATION PROCESS

Copies of the application form, a list of deadlines, and links to information on designated Preserve America Stewards can be found at www.PreserveAmerica.gov. Requests for information or forms can also be made by calling Druscilla Null at the ACHP at (202) 517-1487, or by e-mailing her at dnull@achp.gov.

Applications are received and reviewed by ACHP staff for completeness. Complete applications are shared with the U.S. Department of the Interior (DOI), and sometimes other agencies, for their independent review. Applicants submitting incomplete or unclear applications will be contacted by ACHP staff for additional information or clarification.

When an application is judged complete by the ACHP and DOI, the name of the applicant is added to a list pending the next announcement of designated Preserve America Stewards. Announcement of designated Preserve America Stewards will take place several times a year and may be made by official letter or at a public event.

HELPFUL HINTS FOR PREPARING SUCCESSFUL APPLICATIONS

Applicants should follow some simple guidelines in preparing their applications for Preserve America Stewards designation to ensure their applications are complete and can be processed in a timely manner (item numbers refer to sections of the application form):

- *Item 1:* Be sure to submit two copies of your application and all accompanying materials.
- *Item 2:* Be as specific as possible regarding the historic properties receiving attention under the program. However, it is acceptable for programs with very broad geographic scope (national, regional, or statewide) to indicate that scope in lieu of specific location information.
- *Item 3:* In situations where partners are working together to preserve and interpret historic properties, the applicant organization should be the entity responsible for managing the volunteer program.
- *Item 4B:* The written documentation for this criterion should serve two purposes: 1) it should describe the overall mission of the program, and 2) it should specifically describe how volunteers participate in the stewardship of historic properties. That participation should be direct and tangible, as opposed to solely through monetary contributions or fundraising. Examples of such volunteer participation may include (but are not limited to): monitoring of sites, serving as interpretive docents, assisting with repairs and maintenance, and undertaking research.
- *Item 4C:* Documentation for this criterion should demonstrate how the program's volunteers are filling a preservation need that would otherwise not be met, either in whole or in part. Describe how the program is the sole source for meeting that need or how it is serving to enhance efforts by other parties. Discuss what preservation activities would not take place or would have to be curtailed except for the efforts of volunteers. You may wish to document the impact on your organization or agency if you had to pay for the services now provided by volunteers.
- *Item 4D:* Document how the program meets **at least two** of the criteria. If there is any question about how well the program meets one of the two selected criteria, then provide information on more than two.
- *Item 4E:* Applicants are asked to submit three to five color images that illustrate the work of their program. Digital images on a CD with a minimum resolution of 300 dots per inch (dpi) are preferred; 4" x 6" or larger photographs are acceptable. Photocopies are not acceptable. Please provide captions and credits for these images. The images may be used on the Preserve America Web site or for other publicity purposes.
- *Item 5:* Additional materials are strongly encouraged, since applications will certainly be enhanced with a showing of community interest and involvement through letters of endorsement and illustrative materials. However, they are not required.
- *Item 6:* Make sure to read the release authorization, and sign and date the application. The head of the applicant organization must sign the application.
